

## REPORT ON SAFETY

**ECAC/39**

**Luís Miguel Ribeiro, Focal Point for Safety**

# 2019-2021 Work Programme

To promote European priorities in safety with international partners, regional and international organisations

To increase effectiveness of the ECAC Member States' safety investigation authorities

European coordination at 40th ICAO Assembly and for High-Level Conference (HLCC) on COVID-19

Sharing of experience and knowledge on accident and serious incidents investigations

Other safety related activities

---

# European coordination for ICAO events

- **40th ICAO Assembly - 2019**

- Coordination between ECAC, EC, EASA and EUROCONTROL
- Role of ESANCG
- Four working papers and one IP (all endorsed)

- **European coordination for High-Level Conference (HLCC) on COVID-19**

- 3 working papers
  - strengthening resilience of aviation through improvement of its crisis management framework
  - remote oversight as a supplementary means to perform oversight; and
  - enhancing GASP to support innovation and increasing consistency with other global plans.

---

# Accident and incident investigation activities

- **ECAC Group of Experts on Air Accident and Incident Investigation (ACC)**

- Safety Investigation authorities, organisations and industry
- Update on recent/on-going accident/incident investigations
- Annual review of accidents and serious incidents
- Lessons learnt from recent investigations – sharing of good practices on data, media pressure, communications, COVID
- Workshop on unmanned aircraft systems (UAS) (13-14 October 2021, Bratislava)
- International engagement – participation in ICAO AIG Panel

# Other safety-related activities

- **Growing interaction between safety and security in relation to cyber security**
  - Creation of European Coordination Group on aviation Cyber Security matters (ECG-CS):
    - to organise and coordinate European positions;
    - to maximise shared understanding and develop common positions on aviation cyber security matters for ICAO meetings and events.

**Thank you for your  
attention!**
