

# REPORT ON ENVIRONMENTAL MATTERS

# Summary of 2022-2024

- **Many changes on the global stage**
  - Long-Term Aspirational Goal for international aviation CO2 emissions reductions
  - adoption of a quantified goal for CO2 emissions reductions achieved from the use of sustainable aviation fuels and other cleaner energies
- **ECAC Capacity-building for environment moved to delivery stage**
- **Production of recommendations, guidance, and holding of information-sharing events.**

# Main objectives of ECAC's environmental activities

- **Coordination of European positions and promotion internationally**
- **Promoting harmonisation in Europe**
- **Capacity building and information sharing**

## COORDINATION OF EUROPEAN POSITIONS AND PROMOTION INTERNATIONALLY

### **41<sup>st</sup> ICAO Assembly**

- Preservation of CORSIA
- Long-Term Aspirational Goal
  - *Regional Global Aviation Dialogues*
  - *High-level Meeting on the feasibility of a Long-Term Aspirational Goal for international aviation CO2 emissions reductions*
  - *Special Council session on climate change*

### **Third Conference on Aviation Alternative Fuels (CAAF/3)**

- Pre-CAAF/3 outcomes consultation

### **Committee on Aviation and Environmental Protection (CAEP)**

- CAEP/12
- Steering groups in 2022, 2023 and 2024

### **Coordination of ICAO State Letters of strategic importance**

## PROMOTING HARMONISATION IN EUROPE

### **First ECAC guidance on Sustainable Alternative Fuels (2023)**

- Supporting ECAC Capacity-building Programme

### **AIRMOD**

- Aircraft noise assessment methods
- Methodology for helicopters

### **Action Plans for Emissions Reduction**

- Task Group reactivated in June 2023
- Will revise the ECAC/EU guidance for the submission to ICAO of State Action Plans for CO<sub>2</sub> emissions reduction,
- Harmonised with EASA European Aviation Environmental Report

## CAPACITY BUILDING

### Capacity building programme

- Programme for environment and plan of activities had been endorsed by Directors General in May 2021
- Moved up to speed in 2022-2024

### Activities

- Familiarisation webinars
- In person tailored workshops
- Participation in other regions' activities

### ECAC Environmental Forum

- Three editions from 2022-2024

### ECAC/EUROCONTROL Sustainable Aviation Fuels map
